

Acupuncture
Initial Consultation and Treatment*
\$80.00 for one hour session.

Acupuncture originated in China more than 3000 years ago. Due to its proven effectiveness with various health imbalances it has been embraced throughout the world.

Safety: Acupuncture is a safe medical procedure and is well-known for its efficacy and lack of side-effects when administered by a qualified practitioner. The needles are disposable and pre-sterilized.

Is it for you?

Wolfgang Luckmann

Wolfgang Luckmann A.P, DiHom, L.M.T. (2185 S.C.), (19842 Fl.) is a licensed acupuncture physician, massage therapist and homeopath who has taught internationally for the last twenty years. He trained in traditional Chinese medicine at the Acupressure Acupuncture Institute, Miami and in Clinical Advanced Therapeutic Massage at the College for Natural Health, Miami. He has taught Neuro-Muscular Therapy, Swedish Massage, Shiatsu, Anma, Tui-na (Chinese Therapeutic Massage) and Sports Massage. He has pioneered many uses of Oriental Body Modalities for psycho-somatic disorders including treatments for ADHD/Hyperactivity and Autistic children. He has also pioneered several massage modalities aimed at bringing Eastern and Western concepts closer in treating ADHD/Hyperactivity and Psycho-Somatic diseases. Currently he is holding numerous workshops for massage therapists and acupuncturists at different locations in the United States.
